SPECIAL FILMING CONDITIONS
COLFAX MEADOWS AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **FilmL.A., Inc. will evaluate all requests for permits in this area using the following criteria:** Frequency of filming per block near the requested location and parking areas – Duration and frequency of recent filming – Proximity of concurrent filming activities – Historical use – Recent problems or complaints – Number of filming days requested – Company size/scope – Proposed activities (effects, excessive noise, cranes, etc.) – any other criteria that may be relevant. ***NO PERMITS FOR THIS AREA SHOULD BE ASSUMED TO BE AVAILABLE WITHOUT PRIOR CONTACT WITH FILML.A. ANDTHE ABOVE REVIEW.***

Weekend and holiday filming is generally prohibited, unless approved by FilmL.A.** An extension of the standard filming hours, weekend and/or holiday filming requires that affected residents be surveyed to identify neighborhood concerns and the approved hours and days must be indicated on the permit.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit request must be submitted to FilmL.A. at least three (3) days in advance.*

- **A base camp location must be identified and listed on the film permit. The standard residential hours and notification requirements apply to all base camp areas.** Any request for an extension of the standard hours require affected residents be surveyed.

- **If a production company is parking at the First Christian Church of North Hollywood lot, porta-potties and generators must be parked in designated areas that are closest to the church and away from residential buildings.** *Production companies will be required to have an off-duty or retired officer to ensure traffic safety and assist in entering and exiting of vehicles out of the lot. The officer must arrive one hour prior to the permit start time and must remain during all filming-related activities to ensure proper departure time.*

- **Personal vehicles of cast/crew shall not be parked are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.

- All cast and crew shall be informed of the provisions of the **Filmmakers' Code of Professional Responsibility.**

- **Parking of production equipment is limited to one side of the street only.** Film company vehicles shall not interfere with gardeners' activities, trash pick-up, safe use of the streets or access to resident driveways, unless approved by the affected residents.

- **Generator(s) with the proper noise shield shall only be parked in front of the location house, or in front of houses that have approved this activity**.

- **Trash and refuge must be removed from the area immediately after filming activities are completed each day.**

- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
